## GOODBYE SCIENCE HIGH

BY

CHASTIDY GUINYARD & EDWIN RAMOS

*Goodbye to the teachers and the years of learning.  
Goodbye to those grades we were always earning.  
Goodbye to the lectures that put us to sleep.  
The knowledge you gave us we'll always keep.*

*Goodbye to the Science teachers and all that data.  
Goodbye to the Math teachers, pie, and theta.  
Goodbye to the Gym teachers and the mile run.  
Goodbye to the Health teachers and all the fun.*

*Goodbye to the English teachers, poems, and stories.  
Goodbye to the History teachers, defeats, and glories.  
Goodbye to the Counselors, our ups, and our downs.  
Goodbye to the Music teachers and the melody of sounds.*

*Goodbye to the homework and the long nights of study.  
Goodbye to the notebook that became our buddy.  
Goodbye to the exams that we had to take.  
Goodbye to the term papers we couldn't shake.*

*We'll never forget your colorful halls.  
We'll never forget your crumbling walls.  
Our four year journey has come to an end.  
We'll never forget you, dear old friend.*
